EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. John Vereb on October 14, 2003.

The application has been amended as follows: cancelled non-elected claims 21-25.

2. The following is an examiner's statement of reasons for allowance: claims 1-20 are allowed in view of Applicant's remarks regarding the prior art relied upon in the record. It is noted that the present application predates the Groitzsch et al. reference and the Terminal Disclaimer filed overcomes the obviousness-type double patenting rejection over the Groitzsch et al. reference.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Norca L. Torres-Velazquez whose telephone number is 703-306-5714. The examiner can normally be reached on Monday-Thursday 8:00-4:00 pm..

Application/Control Number: 09/760,110
